School Notes.

THE Master of the College, Mr. G. Smith, has consented to present the Prize-certificates to prize-winners on the morning of Thursday, July 27th.

THE Half-Term Service was held on Friday, June 9th. The sermon was preached by the Rev. W. F. James, Vicar of St. Stephen's, South Dulwich, and the hymns used, 370, 147, 142, had been selected by six of the forms. L. Haile, who with assistants has, at several of these services, kept the organ well supplied with wind, is now leaving. We thank him for his efficient efforts and invite applications from candidates anxious to fill the vacancy caused by his going.

AT the Commemoration service held in the Chapel on Sunday, June 25th, at 4 p.m., the sermon was preached by the Lord Bishop of Rochester, who took his text from St. Luke xxii., part of the 27th verse.

There was a fairly large congregation consisting of Governors and representatives of the College, Alleyn's School and James Allen's School, and the order of the service was the same as that used for the last four or five years. In addition to the organ a cornet and drums were played in the hymns and in the *gloria* to the psalms.

THE following boys were confirmed at the College Chapel by the Bishop of Southwark on June 21st:—G. Constantinidi, R. Debonnaire, P. Florence, W. Griggs, J. Harkness, J. Mellish, R. Quarterman, A. Randall, C. Shipley, H. Shipley, W. Slatter, M. Westlake.

Two hymns which had not been used before at our Confirmation services were introduced. "Breathe on me, Breath of God" and "Put thou thy trust in God." In them beautiful and appropriate words had been allied with beautiful and fitting music, which the candidates, led by the choir, found little

difficulty in picking up and singing. The hymns appear in the New Supplement to "Hymns, Ancient and Modern," which is now being used in the services at the College Chapel.

MR. YATES THOMPSON, Chairman of the Governors' Committee of the Art Gallery, accompanied by Mr. Hine, the Art Master of Harrow School, inspected the Drawing Work on June 21st. The Governors' Prizes were awarded as follows:—*Mechanical Drawing:* G. B. King. *Water Colour Drawing:* R. Barham and C. Shipley. *Original Sketches*: R. McClaren. These prizes were presented by the President of the Royal Academy at Dulwich Gallery on July 5th.

AN interesting picture of Charles Dickens addressing members of the dramatic profession on Edward Alleyn and his College has been presented to the School by three Old Boys, Messrs. W. E., T. A. and T. H. Powell. The speech accompanies it and is framed with it. It has been hung in the School Library.

TOWARDS the end of last Term, Mr. Taylor joined the Chemists' Section of the Royal Engineers, and within a very few weeks was in France. When last we heard from him he had been given, much to his satisfaction, work of a more important kind than he had hitherto been doing.

In June Mr. Spring joined the Royal Flying Corps, and is at present stationed in Suffolk. Mr. Williams has been wounded—not seriously we are glad to say—and by now he should be back with his regiment. Mr. Brown is on his way to Mesopotamia and Mr. Tyson is in France, where his duties are multifarious. We wish them the best of good fortune and long to have them back with us again.

WE extend a cordial welcome to Mr. F. E. Skinner-Jones, M.A., Durham, who is acting as Form Master of V. A. and to Mr. H. J. Williams, B.A., of Selwyn College, Cambridge, who takes the place of Mr. Spring.

R. J. FITTER has gained the Goldsmid Scholarship, at University College, London. It is of the value of £30 per annum and tenable for three years. C. E. Bacon secured the Sambrook Science Scholarship of the annual value of £25 for two years, and held at King's College, London. Hearty congratulations to both!

THE following were the results of the Inter-House Gym. Contest:—Brown's, 28 points; Spurgeon's, 16 points; Tulley's, 6 points; Roper's, 4 points; Cribb's, 1 point; Brading's, 0 points. Gym. Champion, C. E. Bacon (br.).

THE School Library has recently received the following additions through the generosity of G. W. Bacon, Esq., father of two Old Boys:—The Living Races of Mankind (2 vols.); With the Flag to Pretoria (2 vols.); British Battles on Land and Sea (3 vols.), and an Anthology of English Verse. His kindness is much appreciated.

ON the occasion of the Cricket match between the School and Mr. Eayrs' Eleven, an invitation to witness the game was given to fifty convalescent soldiers from the military hospital in East Dulwich Grove. The day proved fine, and both guests and hosts thoroughly enjoyed themselves. During the afternoon tea was served in the Buttery. We highly appreciate the help rendered us by Mrs. R. H. Day and her friends in entertaining the visitors, and we take this opportunity of thanking them.

ON Old Boys' Day a series of matches took place between the Houses and teams of Old Boys and others. Cribb's and Roper's were lucky enough to get together complete sides of old members—the other Houses were not nearly so fortunate, Spurgeon's and Brading's having to draw on outside help to make up their teams, and Brown's and Tulley's failing owing to military calls to raise even the nucleus of an eleven. The Old Boys were mostly out of practice, and though, thanks to a score of 83 by T. O. Emms, Cribb's beat the present boys, the other visitors found the home teams much too good for them.

Fives.

DURING the season five matches were played; the four against teams of Old Boys resulted in three wins for the School and one defeat. The fifth match against the Inns of Court Officers' Training Corps proved an easy victory for us. The following constituted the School team:—C. Becker (Captain), R. D. Nightingale (Vice-Captain), H. H. Farthing, G. M. Brand, J. R. Booer and F. J. Jordan. Farthing, Brand and Booer were awarded their colours during the season.

WINNERS OF COMPETITIONS.

Senior Singles.—C. Becker, Holder of the School Championship and "Spurgeon" Cup.

Senior Doubles.—C. Becker and R. D. Nightingale.

Junior Singles.—S. T. Rooke.

Junior Doubles.—H. P. J. Clark and A. E. Owen.

The result of the House Fives Competition was:—(1) Roper's, 30 points; (2) Spurgeon's, 29 points; (3) Brading's, 26 points; (4) Brown's, 19 points; (5) Tulley's, 13 points; (6) Cribb's, 3 points. The competition was noteworthy owing to the fact that the three leading Houses were undefeated and that Brading's first pair won every game.

Swimming.

THE season commenced on Thursday, May 11th, when we were all delighted to be once more at the Dulwich Baths. Owing to pressure of extra work Mr. Dutton has found himself unable to look after the swimming this year, and it is now under the charge of Mr. Hack. The days for attendance at the Baths have been altered to Tuesday and Thursday, from four to five o'clock, when plenty of people are present to give lessons to learners. A large number of boys have availed themselves of this help, despite the cold weather, a fact which bears testimony to the energy of the House Swimming Captains. The Junior School Classes, held in school hours, have been well attended, and many of these boys are showing great promise.

The Public Secondary Schools Swimming Sports were held on June 20th, when we sent a fair number of representatives to the Shoreditch Baths. We were unfortunate in not bringing back any medals, as every one swam well. We had several firsts and seconds in heats, and in two races only just missed second places in finals by a touch. In the team race for the City of London Shield we lost by only four yards to Latymer. The moral is "Learn to Crawl"; it was encouraging to notice a recent under 13 breast-stroke competitor trying to teach himself this stroke two days later.

Our representatives at Shoreditch Baths were as follows :—

Breast stroke (*under* 12, *one length*).—E. Tiffin.

Breast stroke (*under* 13, *one length*).—R. Davison, J. Florence, R. Siebold, H. Stewart.

One length (*under* 14, *any stroke*).—R. Davison.

Junior Championship (*under* 15, *two lengths*).—C. Loughborough, G. C. Tiffin, L. Trickey.

Two lengths (*under* 16).—C. E. Chatfield, F. H. Farthing.

Team Race for the City of London Shield.—C. E. Chatfield, H. P. J. Clark, F. H. Farthing, R. E. Quarterman.

THERE seems to be little chance of finding opponents at Water Polo, but we have practised hard and hope to be in trim to meet Latymer shortly. We have other racing fixtures with the City of London School and Latymer. C. E. Bacon has been appointed Swimming Captain, F. H. Farthing, Vice-Captain, and N. C. Scott, Honorary Secretary.

Junior School Cricket.

THE Inter House matches between teams of the Junior School have resulted in a deal of pleasure to those concerned, and have shown that there are many promising players among the would-be rivals of our best seniors.

We have been unfortunate in the matter of weather; many games have had to be postponed, and no House stands out prominently as superior to the others.

In the League Matches against the Reserves of Seniors we have so far won 5, lost 7, and drawn 2.

LAST Saturday our 1st Team played the return match with Addiscombe New College and succeeded in getting rid of their first three men for less than 6 runs, but they eventually proved too strong for us, and won by 82 to 49.

BRADING'S.

ALL members of the House—past and present—will learn with regret of the loss of two more of its Old Boys in connection with the terrible war, which is making such heavy demands on the young life of the country. We offer our sincere sympathy.

L. W. JONES (1912—1915) entered the Merchant Service as an apprentice, and on one of his voyages in a munition ship, he was unfortunately washed overboard and drowned.

F. W. EAGLE (1907—1911) obtained a commission in the Royal Engineers (North Midland—T.) in the early days of the war, and soon saw service at the Front. At the time he lost his life (June 6th) he was Lieutenant and Acting Captain.

Brigadier-General C. Wingfield Stratford writes of him:—"He was a most able and brave officer, and had never failed in anything he had been given to carry out, and is of the greatest loss to the Division and to the Royal Engineers in particular."

His Major and O.C. writes also in very appreciative terms.

BROWN'S.

WE deeply regret the loss of two Old Boys of Brown's, who gave up their lives in action in France. Both were prominent members of the House in its early days and did much to lay the foundation of the success that Brown's has enjoyed. Each by his cheerfulness, thoroughness, and good sportsmanship set an example which may well be followed by every member of the House, past, present, and to come.

J. M. FIELD (1899—1908) was a School and House Prefect and a member of the School Football (1907, 1908, 1909) and Cricket (1907, 1908) 1st XI.s. On leaving he entered an insurance office

in a special capacity. At the outbreak of war he joined the H.A.C. After a long and strenuous campaign in France he obtained a commission in the 7th Battalion Royal Sussex Regiment. He was killed instantaneously by the explosion of a German mine on April 17th, 1916. He is buried in the soldiers' cemetery at Vermelles.

His commanding officer writes of him: "Although so short a while with us, he had impressed us that he was a good soldier, and promised to be an acquisition to the Battalion."

F. H. STONE (1905—1908) was House Prefect and a member of the School Football (1906, 1907) and Cricket (1907, 1908) 1st XI.s. He also represented the House in Fives and Swimming, and at the Athletic Sports Brown's owes much to his work.

When war was declared he enlisted in the Queen Victoria Rifles. He served through a very arduous campaign in France, and was promoted to sergeant. He was killed in action on May 26th, 1916.

His company officer writes of him: "No cheerier soul could have been found in the whole of the British Army. No matter what discomforts or what dangers surrounded him he was always cheerful, always had a bright smile and cheerful word for everybody. Of such stuff have all heroes of our race been made. He was one of the few and decreasing number who came across with the battalion when we first landed, and I shall have great difficulty in finding anyone of such experience, courage and reliability to replace him."

The House is proud of these Old Boys and offers its sincere sympathy to their relatives in their sorrow.

CRIBB'S.

WITH very deep regret we have to announce the death on active service of L. W. Roddis (1906—1908), F. L. Bristow (1907—1911), and E. S. Shinkfield (1907—1913). We remember them as fine lads and pleasant companions, and we grieve that young lives so full of promise have been brought to an early end.

Nevertheless, we can truly say of them:—

> "Tears may be ours, but proud, for those who win
> Death's royal purple in the foeman's line."

And in this spirit we offer to their parents and families our sincere sympathy in their great bereavement.

A Roll of Honour has been fixed in the House Room, and we here express our great obligation to Mr. Eayrs, whose facile pen has turned out such a splendid piece of work.

Already nearly a hundred names find a place on it, including four of those who have made the supreme sacrifice for their country's welfare.

We offer our congratulations to our Captain, R. J. Fitter, on gaining a Scholarship at University College; to A. J. Arch on gaining a History Special at Cambridge; to A. Holgate on passing the second examination Part II. for the Medical Degree at London University with distinction in Physiology; to A. J. Farrington on being appointed a House Prefect; and to R. V. Barham and F. F. W. Berchem on gaining their House Colours.

On Saturday, June 17th, Founder's Day, a match was played between our first House team and a team of Old Boys of the House. We were glad to welcome C. S. Herridge (captain), A. W. Holgate, W. H. Heron, T. O. Emms, C. F. Lamb, A. J. Stokes, W. H. Miller, C. Robertson, E. Vines, F. Lee, and P. C. Farrow. The Old Boys won by 118 to 80, thanks to a vigorous innings of 83 by Emms and 20 by Herridge.

C. McPherson left us at the end of last Term. The House, in presenting him with a silver souvenir, expressed their hearty appreciation of his able services as football captain and their best wishes for his future career. A. E. C.

Letter.

I HAVE been at the front for fifteen months, my battalion being the First Surrey Rifles.

We had just finished six days at ——. We were relieved on Saturday night, May 20th, and went back about seven miles for a six days' rest. We reached our destination on Sunday morning at about 2.15, had breakfast at 10 a.m., church parade at 2 p.m. and then had to "stand to." At 6 p.m. we packed up, moved off in fighting order, and at 9 p.m. arrived at a spot about two or three miles from the line. After a rest of two hours in a field we moved up nearer to a reserve trench where we stayed for a day, and learned that the Huns had taken our front and communication trenches. Just as we drew nearer still in the evening the Boches strafed us with gas shells. It was most awful. Our eyes were streaming, we were coughing and practically vomiting. We relieved the battalion that had taken our places two nights previously. The following day we were heavily shelled and were told we were going over the bags that night at 8.25. All this was taking place during the six days through which we were supposed to be resting!

Well, the time came, and over we went. I got caught in the wire, ripped my trousers to pieces, freed myself and dashed on for the trench. We took it. It is almost impossible to describe the scenes; it is marvellous that anybody won through in face of the terrific firing of heavy guns, machine guns, mortars, bombs and other death-producing implements. While holding the trench I saw a German flinging bombs about. He flung one at me. It fell short. I let him have a couple of rounds. He then threw a bomb which just passed over my head, fell behind me, exploded and wounded me in the back, leg and arm. I felt as if somebody had presented me with a very hard kick in the small of the back. I crumpled up but knew what was happening. Leaving my rifle and bayonet where they fell, I clambered up the side of the trench, took off my equipment, gas helmet and spare bandoliers, crawled, rolled and somehow managed to gain our support line in spite of the wire, which appeared to be everywhere and several times entangled me. Walking, for me, was an impossibility. After I had been bandaged I had to lie for six hours on my stomach until the stretcher bearers took me to the dressing station. Eventually I got to the hospital ship *Asturias*. The King and Admiral Jellicoe came on board when we reached our English port.

I am now feeling better, but cannot sit up, lie on my back or walk. One of the wounds in my back is very severe. My spine narrowly escaped injury which, they tell me, would have left me paralysed for life.

J. H. MARSLAND, *School Secretary.*

War Honours for Old Boys

Announced since the publication of the April number of the *Edward Alleyn Magazine.*

Two Military Crosses.

1. Temp. Lieut. Allan Heriot Pollock, of the 8th Battn. King's Own Royal Lancasters, who, when war broke out, joined the Queen's Westminsters and afterwards received a commission in the Royal Lancasters, was awarded the Military Cross

> "For conspicuous gallantry during operations when leading his company after his three senior officers had been wounded. His cool cheerfulness did much to encourage the men."

2. Temp. Second Lieut. F. W. Marshall, of the 9th Battn. Essex Regt., enlisted in the 6th Battn. East Surrey Regt. on the outbreak of war, and received a commission in the 12th Battn. Essex Regt., from which he was transferred to the 9th Battn.

He was awarded the Military Cross

> "For carrying out a difficult reconnaissance among the craters on the night of 12-13th April, 1916, whereby the situation regarding the several craters was thoroughly cleared up and the enemy's post located.
>
> "The position was a very difficult one, and 2nd Lieut. Marshall selected his route with great judgment, eventually crawling to within 12 yards of an enemy's double sentry post.
>
> "Much valuable information was obtained which enabled offensive action to be taken against the enemy's posts.
>
> "His energy and willingness to undertake dangerous enterprises have been most marked on other occasions."

We offer hearty congratulations. Pollock left the School in 1911 and was in Spurgeon's House, and Marshall left in 1905.

Our Naval Hero—Our D.S.C.

IN one of the series of articles contributed to the Press by Rudyard Kipling on the doings of the British submarines, and based on official reports, one of our Old Boys—Acting (now

Full) Lieut. R. W. Lawrence, R.N.R. (now R.N.) is mentioned in connection with an episode which Kipling describes in his inimitable style as follows:—

". . . Now we will take E 14 on various work, either alone or as flagship of a squadron composed of herself and Lt.-Commander Nasmith's boat E 11. . . . When the crew of the Turkish brigantine, full of stores, got into their boats by request, and then 'all stood up and cursed us,' E 14 did not lose her temper, even though it was too rough to lie alongside the abandoned ship. She told Acting-Lieutenant R. W. Lawrence, of the Royal Naval Reserve, to swim off to her, which he did, and, after a 'cursory search'—who can be expected to Sherlock Holmes for hours with nothing on?—set fire to her 'with the aid of her own matches and paraffin oil.'"

And many other things did E 14, of which every patriotic Britisher should read. She was seventy days in the Sea of Marmora, and she covered 12,000 miles without overhaul.

We congratulate our hero, who was navigating officer of E 14; who has been mentioned five times in despatches and has been awarded the D.S.C.

By the way, will Lawrence's exploit provide Kipling with that other story, which his "Taking of Lungtungpen" promised us?

Alleyn War List.

THE following names of Old Boys serving in the War have been received since the publication of the *Edward Alleyn Magazine* in April last, when the total reached 1,062. The number to date (July 3rd, 1916), is 1,188, and of Commissions 289.

The names are preceded by the dates of leaving the School, and, in some cases, by the distinguishing House initials.

Old Boys' Notes.

A SUBSCRIPTION notice, together with a postal order for one shilling, was forwarded to the Honorary Secretary on June 10th. The sender forgot to write his name on the notice, so will he please communicate with the Honorary Secretary as soon as is convenient.

MARRIAGE.—Coe—Bovey.—At the Church of King Charles the Martyr, Falmouth, on May 20th, Second Lieut. Leonard Antony Coe, R.E. (T.), to Winifred Widger Bovey, daughter of Mr. John Bovey, of Buckfastleigh.

MR. R. WINTON WEST, who is about to take up war work, which will necessitate his leaving his "dear old London town" and much beloved country, will, after the issue of this Magazine, hand over to Mr. A. J. Hudson, 25, Wavertree Road, Streatham, the duties of Hon. Secretary and Magazine Editor. We wish Mr. West a safe and speedy return and thank him for the efficient manner in which he has discharged the duties of the offices he is about to relinquish.

MENTIONED IN DESPATCHES: Extract.—"The General Officer commanding the Division wishes to express his appreciation of the good work performed by Lieutenant Reynolds and his signallers during the minor action carried out on the night May 15th/16th. Kindly convey the G.O.C.'s appreciation to all concerned."

"MEMBERS of the Sutton Cricket Club will hear with deep regret of the death in India, caused by a riding accident on April 2nd, of Capt. T. C. Stafford, one of Sutton's leading cricketers. Capt. Stafford, though over military age, joined the Army soon after the outbreak of war, and obtained a commission as Second Lieutenant in the Northumberland Fusiliers, and was married shortly afterwards.

"He later transferred to the Yorkshire Regiment, being promoted Captain, when he was immediately sent to India with his regiment, his wife accompanying him. As a cricketer he was very sound as a bat.

. . . . .

"The sympathy of all his friends will be extended to his bereaved widow."—*The Sutton Herald*, April 14th, 1916.

[All Old Boys who knew him and his brothers Frank and Sidney will like to be associated with this expression of sympathy. —Editor, *E. A. M.*]

Fragments of Verse.

THE following are culled from "Fragments of Verse" written by Hubert Sutton, of the Surrey Yeomanry, who died, after strenuous war service, at Gallipoli :—

IMBROS, 1915.

SUNDOWN.

God wanted all His sun to-night
And drew grey clouds across its light;
He drew them slowly as we sat
The blue-grey curtain wondering at,
And sad at heart wished we might be
On God's side—for Divinity.

Hard-thinking, little-hoping men,
We watched the fierce blood streak, and then
The shadows fell across the sea,
The outer world all ceased to be.
Five pipes alone could dimly show
Our outlined faces in their glow.

Five pipes went out, five men slept there—
Their yearning thoughts their only prayer.

ALEXANDRIA, 1915.

Don Quixote in a hundred guises,
Headgear of all shapes and sizes,
Costumes, robes, and cloaks and dresses,
Rare rich food and native messes.
Faces—types of every order,
Mister Snell and Harry Lauder;
Shem el Nessim,
Should you press him,
Will without reward or fee
Detail you his pedigree,
Share his supper with you gaily,
Onions, which he eateth—daily!
"Marra" (woman) is a puzzle,
Why the veil—and nose-piece muzzle?
Why the traffic on the off-side?
Why this sea that has no ebb-tide?
Why not all things as at Streatham?
Were it so, tut! we'd all forget 'em.

COPY for the next issue of the Magazine must be in the hands of the Editors, Mr. Carrick, Alleyn's School, and Mr. A. J. Hudson, 25, Wavertree Road, Streatham, S.W., not later than Friday, September 15th, 1916.

THOSE boys who are leaving the School this Term are recommended most strongly to join the Old Boys' Club. Educational Establishments for which they are available.

Any Teaching University of the United Kingdom,
Medical or Technical School, or
Any other place of higher education sanctioned by the Governors.

Conditions on which they may be determined.

The Governors have power to determine an Exhibition if in their judgment the holder thereof is guilty of serious misconduct or idleness, or fails to maintain a reasonable standard of proficiency, or wilfully ceases to pursue his education; or for such other reasons as they may think sufficient.

Foundation Scholarships.

——:o:——

THE College Governors provide annually a sum of money which covers the Tuition fees of about twenty Alleyn's Foundation Scholars.

Three Entrance Scholarships, tenable in the first instance for three years, will usually be awarded each year to boys over twelve and under fourteen years of age on 31st July, who have been educated elsewhere than at a Public Elementary School. Application should reach the Head Master before March 1st. The Examination is conducted by the Joint Scholarships Board. This award is suspended during the continuance of the War.

The following boys at present hold these Scholarships.

1914	Macara, K. G. F.	Smith, S. W.
1915	Brook, W. H.	Wimble, R. W.

Three Foundation Scholarships are usually awarded each year to boys who have been at least one year in the School on the results of the Annual Examination of the School in July, conducted by the University of London.

The following boys at present hold these Scholarships which are tenable for one or more years, according to the age of the successful candidate :—

Allen, R. H.	Parsons, J.
Brand, G. M.	Snell, N. W.
Griffith, A. L.	Westbrook, R. P.
Nye, E G.	Wyborn, L.

Dulwich College Scholarships.

THE College Governors will give one Scholarship every year tenable at Dulwich College, for boys who are being and have been for not less than two years educated at Alleyn's School.

The award will be made on the result of the Annual Examination of the School in July. Candidates for this Scholarship must be under fourteen years of age on the 31st of July, and must give in their names to the Head-master on or before the 1st of July. All Candidates will be required to have done at least one year's Latin at Alleyn's School.

The value of the Scholarship is £24 per annum, and covers the tuition fees at the College. A further sum of not more than £5, to be found by the pareuts, will suffice to pay all extras. The Scholarship is tenable for four years, with possible extension for one or more years, in the case of very promising boys.

It is primarily meant for boys who wish to go to the University or into some profession which involves an education of a more classical nature than that given at Alleyn's School. There will not, however, be any rule binding a successful candidate to take up any particular branch of education or profession.

If a London County Council Junior Scholar gains this Scholarship he will have to give up his L.C.C. Scholarship as the latter may not be held at the College.

The parents of the candidate to whom the Scholarship is awarded must at once apply to the School Secretary, Dulwich College, for an admittance application form and prospectus, and must state that the boy is the holder of the Alleyn's School Scholarship.
